Compatibility	Honda Vehicles
OE Number	45022-TA0-A00
Thickness	0.5 Inches
Wear Sensor	Included
Package Dimensions	9.5 X 6.5 X 3 Inches
Material	Ceramic
Quantity	4 Pieces
Shim Material	Rubber
Warranty	1 Year

Applications:

The Herito Brake Pad Set is designed to provide maximum stopping power and reliable performance in a wide range of driving conditions. The friction coefficient of this product is 0.35, which means that it offers excellent stopping power and minimal wear and tear on the brake system. This makes it an ideal choice for drivers who want to ensure that their brakes are always in top condition. The Herito Brake Pad Set includes a wear sensor, which alerts drivers when the brake pads are worn and need to be replaced. This feature helps to ensure that the brakes are always in top condition and that they are providing maximum stopping power. The wear sensor is a convenient feature that makes it easy to maintain the brakes and keep them in top condition. The Herito Brake Pad Set comes with four pieces, which is enough to replace the front brake pads on most Honda vehicles. This product is specifically designed for use on the front brakes, and it is an ideal choice for drivers who want to ensure that their front brake pads are always in top condition. The front brake pads are critical to the safety of the vehicle, and the Herito Brake Pad Set provides excellent performance and durability. The Herito Brake Pad Set is made in Japan, which is known for producing high-quality automotive products. The country of origin is an important consideration for many drivers, and the fact that this product is made in Japan adds to its appeal. The Herito Brake Pad Set is ideal for a wide range of driving scenarios and occasions. Whether you are driving in stop-and-go traffic, on the highway, or in challenging weather conditions, this product provides reliable performance and excellent stopping power. The front brake pads are especially important for ensuring the safety of the vehicle, and the Herito Brake Pad Set is an ideal choice for drivers who want to ensure that their front brakes are always in top condition.

Support and Services:

The Honda Brake Pad Set is a high-quality replacement brake pad set designed to meet the exacting standards of Honda vehicles. The brake pads are made from durable materials that provide superior stopping power and long-lasting performance. Our technical support team is available to answer any questions you may have about installation or performance. We also offer a range of services, including on-site brake pad replacement and brake system inspection. For more information on our Honda Brake Pad Set or to schedule a service appointment, please contact us.

Packing and Shipping:

Product Packaging:

The Honda Brake Pad Set comes in a sturdy box with the Honda logo and product information printed on it. Inside the box, the brake pads are securely packaged in plastic to prevent any damage during transport.

Shipping:

Our shipping partner will ensure that the Honda Brake Pad Set is delivered to your doorstep in a safe and timely manner. The package will be tracked and you will be provided with a tracking number to monitor the progress of your delivery.
