Applications:

The Herito Brake Pad Set is the best brake pad brand because the brake pads are designed for optimal performance in a variety of driving conditions, including wet and dry weather, as well as different terrains. The thickness of these brake pads is 10mm, which ensures that they can withstand heavy use and have a longer lifespan than other brake pads on the market. Additionally, the hardware needed for installation is included, making the process quick and hassle-free.

These brake pads are suitable for a wide range of vehicles, including sedans, SUVs, and trucks. They are especially useful for drivers who frequently drive in heavy traffic or on hilly terrain. The Herito Brake Pad Set provides reliable and consistent braking power, which gives drivers peace of mind while on the road.

If you are looking for the best brake pads for your vehicle, the Herito Brake Pad Set is the perfect choice. The product is made in Germany, which ensures that it is of the highest quality and meets the standards set by the automotive industry. The brake pads are easy to install, and the included hardware makes the process even easier. With the Herito Brake Pad Set installed on your vehicle, you can be confident that you have the best brake pad brand and that your vehicle is equipped with the best brake pads on the market.

Customization:

Customize your Volvo brake pad set with Herito brand! Our model number 201562 is manufactured in China, specifically in Zibo. Its OE number is 31262706 and it is made of ceramic material, ensuring the best performance for your brake pad replacement. These brake pads are designed for the front position and are compatible with Volvo vehicles. Hardware is included with the set, making installation a breeze. Trust Herito for reliable and high-quality brake pads for your Volvo.

Packing and Shipping:

Product Packaging:

The Volvo Brake Pad Set comes in a sturdy cardboard box that is designed to protect the brake pads from damage during shipping and handling. The box features the Volvo logo and product information on the outside, making it easy to identify. Inside the box, the brake pads are securely packed in plastic and foam to prevent any shifting or damage during transportation.

Shipping:

The Volvo Brake Pad Set is shipped directly from our warehouse to your doorstep. We offer standard shipping within the United States, with delivery typically taking 3-5 business days. We also offer expedited shipping options for customers who need their brake pads sooner. All orders come with a tracking number so you can monitor the progress of your shipment.
