Applications:

The Herito Brake Pad Set is suitable for both the front and rear positions of your vehicle. This makes it an ideal choice for individuals who are looking to replace their brake pads entirely. The OEM brake pads provide a direct replacement fitment type, which means that you can expect a hassle-free installation process.

This brake pad set is manufactured in China and has an OE number of A0044202820. This number is significant because it means that the product meets the highest standards of quality and performance. The Herito Brake Pad Set is also OEM approved, which further emphasizes the quality of this product.

The Herito Brake Pad Set is one of the best types of brake pads on the market today. This is because it is designed to offer superior stopping power, which is essential when driving your Mercedes-Benz vehicle. The factory number of ZK-03031 is another significant attribute of this product. It means that the brake pad set has undergone rigorous testing to ensure that it meets the highest standards of safety and performance.

This brake pad set is perfect for individuals who are looking for a reliable and high-performance product that can keep up with their driving needs. Whether you are driving on the highway or in the city, the Herito Brake Pad Set will provide you with the best type of brake pads that you need to stay safe on the road.

Customization:

Support and Services:

The Mercedes-Benz Brake Pad Set includes a set of four brake pads specifically designed for your vehicle's braking system. Made from high-quality materials, these brake pads provide reliable stopping power and long-lasting performance. Mercedes-Benz recommends that only genuine Mercedes-Benz brake pads be used to ensure optimal braking performance and safety. If you have any questions or concerns about your Brake Pad Set, please contact your local Mercedes-Benz dealer or authorized service center for technical support and services.

Packing and Shipping:

Product Packaging:

The Mercedes-Benz Brake Pad Set product will be packaged in a sturdy box with the Mercedes-Benz logo and product information printed on it. The brake pads will be securely placed inside the box with proper cushioning material to avoid any damage during transportation.

Shipping:

The Mercedes-Benz Brake Pad Set product will be shipped via a reliable and trackable courier service. The shipping cost will be calculated based on the destination and weight of the package. Customers will receive a shipping confirmation email with a tracking number to track the status of their package.
