Basic Information

- Brand Name: ZKZB
- Model Number: 201562

Product Specification

- Package Content: Brake Pads, Shims, And Hardware
- Noise Reduction: Yes
- Quantity: 4 Pieces
- Braking System: N
- Fmsi: D1293/D1222
- Part Number: 04465-AZ106
- Interchange Part Number: 04465-35290, D1210, ACT1210
- Wear Sensor: Included
- Highlight: **Affordable Toyota Corolla Brake Pads, Long Lasting Toyota Corolla Brake Pads, 04465-AZ106 Toyota Corolla Brake Pads**

Product Description:

The Toyota Brake Pad Set is crafted from high-quality ceramic material, known for its durability and reliability in braking systems. Ceramic brake pads are favored for their excellent heat dissipation properties, which help prevent brake fade and ensure consistent braking performance even under heavy use.

Designed for vehicles with the N braking system, these brake pads are engineered to meet the stringent standards set by Toyota for their vehicles. With the Toyota Brake Pad Set, you can have peace of mind knowing that your vehicle's braking system is equipped with reliable and efficient components.

One of the key highlights of the Toyota Brake Pad Set is its compatibility with a wide range of Toyota vehicles. Whether you drive a sedan, SUV, truck, or any other Toyota model, these brake pads are designed to fit seamlessly and deliver consistent braking performance.

When it comes to interchangeability, the Toyota Brake Pad Set is a versatile choice. The product features interchange part numbers 04465-35290, D1210, and ACT1210, ensuring that it can be easily installed in place of existing brake pads with clips. This interchangeability makes the Toyota Brake Pad Set a convenient and practical choice for Toyota vehicle owners.

Investing in the Toyota Brake Pad Set means investing in your safety and the performance of your vehicle. With its durable ceramic construction, compatibility with Toyota vehicles, and interchangeability with various part numbers, these brake pads are a reliable choice for maintaining the braking efficiency of your vehicle.

Don't compromise on safety and performance when it comes to your vehicle's braking system. Upgrade to the Toyota Brake Pad Set today and experience the difference in braking quality and reliability. Say goodbye to brake fade and inconsistent performance with these top-of-the-line brake pads with clips designed specifically for Toyota vehicles.

Features:

Product Name: Toyota Brake Pad Set

Country Of Origin: Japan

Wear Sensor: Included

Dimensions: 5.5 X 5.5 X 2 Inches

Warranty: 1 Year

Noise Reduction: Yes

Technical Parameters:

Package Content	Brake Pads, Shims, And Hardware
Country Of Origin	Japan
Material	Ceramic
Heat Resistance	Yes
Compatibility	Toyota Vehicles
Interchange Part Number	04465-35290, D1210, ACT1210
Wear Sensor	Included
Part Number	04465-AZ106
Dimensions	5.5 X 5.5 X 2 Inches
Fmsi	D1293/D1222

Applications:

ZKZB Brake Pad Set is a high-quality product designed for optimal performance in various vehicles. The Model Number 201562 ensures compatibility with a wide range of car models. Manufactured in China, this brake pad set boasts reliability and precision.

The Part Number 04465-AZ106 guarantees authenticity and quality, giving you peace of mind when replacing your brake pads. The dimensions of 5.5 X 5.5 X 2 inches make it suitable for installation in vehicles with rear brake pads.

These ceramic brake pads are known for their durability and efficiency in braking systems. The heat resistance feature ensures consistent performance even under high temperatures, making them a reliable choice for long drives or heavy braking situations.

The ZKZB Brake Pad Set is ideal for various product application occasions and scenarios. Whether you are driving in urban traffic, on the highway, or in challenging terrains, these good brake pads deliver consistent stopping power and safety.

These rear brake pads are perfect for everyday driving as well as demanding situations where reliable braking is crucial. Whether you are commuting to work, running errands, or going on a road trip, the ZKZB Brake Pad Set provides the confidence you need in your vehicle's braking system.

Upgrade your vehicle's braking performance with the ZKZB Brake Pad Set and experience the benefits of ceramic brake pads. Trust in the brand's reputation for quality and innovation, and enjoy a smoother and safer driving experience with these reliable rear brake pads.

Customization:

Customize your Toyota Brake Pad Set with ZKZB brand for a perfect fit. Model number.201562, these ceramic brake pads are designed in China and weigh 2.5 pounds. Enjoy noise reduction technology and the convenience of included wear sensors. Each set comes with a 1-year warranty and includes 4 pieces, ensuring your Toyota is equipped with top-quality brake pads for optimal performance.
