Basic Information

- Brand Name: ZKZB
- Model Number: ZK-01001

Product Specification

- Material: Ceramic
- Part Number: DBP-001
- Color: Black
- Chamfered: Yes
- Quantity: 4 Pieces
- Product Type: Brake Pads
- Easy To Install: Yes
- Product Dimensions: 6 X 6 X 0.67 Inches

Product Description:

The Disc Brake Pad Set is a crucial component for ensuring the safety and performance of your vehicle's braking system. This product is designed to provide reliable and efficient braking performance, making it an essential part of your vehicle maintenance routine.

Package Quantity: 1 Set (4 Pieces)

Product Dimensions: 6 X 6 X 0.67 Inches

Product Type: Brake Pads

Quantity: 4 Pieces

UPC: 123456789012

When it comes to brake pads, quality is of utmost importance. That's why this Disc Brake Pad Set is crafted with the best ceramic brake pads available in the market. Ceramic brake pads are known for their superior performance, durability, and reliability, making them a popular choice among car owners.

Whether you're replacing your old brake pads or looking for an upgrade, these OEM brake pads are designed to meet or exceed the original equipment manufacturer's standards. This ensures a perfect fit and compatibility with your vehicle, allowing for optimal braking performance and safety.

With a package quantity of 1 set, which includes 4 pieces in total, you'll have everything you need to replace the brake pads on both sides of your vehicle. The product dimensions of 6 x 6 x 0.67 inches make these brake pads suitable for a wide range of vehicle makes and models.

Investing in high-quality ceramic brake pads not only enhances your vehicle's braking performance but also provides peace of mind knowing that you're using a reliable and durable product. Whether you're driving in stop-and-go traffic or cruising on the highway, these ceramic brake pads will deliver consistent and responsive braking power.

In conclusion, the Disc Brake Pad Set is the perfect choice for car owners who prioritize safety, performance, and quality. With its best ceramic brake pads, OEM brake pad compatibility, and reliable construction, this product offers everything you need to maintain your vehicle's braking system effectively. Upgrade to these ceramic brake pads today and experience the difference in your driving experience.

Features:

Product Name: Disc Brake Pad Set

Easy To Install: Yes

Warranty: 1 Year

Shims Included: Yes

Upc: 123456789012

Quantity: 4 Pieces

Technical Parameters:

Part Number	DBP-001
Quantity	4 Pieces
Product Placement	Front And Rear
Easy To Install	Yes
Warranty	1 Year
Material	Ceramic
Product Dimensions	6 X 6 X 0.67 Inches
Color	Black
Installation Method	Bolt-On
Product Type	Brake Pads

Applications:

ZKZB Disc Brake Pad Set (Model ZK-01001) is a high-quality product designed for various applications and scenarios. Made in China, this brake pad set (Part Number: DBP-001) offers reliable performance and durability.

Product Dimensions: 6 X 6 X 0.67 inches, this brake pad set is suitable for a wide range of vehicles that require bolt-on installation. The sleek black color of the brake pads adds a stylish touch to your vehicle's braking system.

One of the key features of the ZKZB Disc Brake Pad Set is its ceramic composition. These ceramic brake pads are known for their superior performance, longevity, and minimal noise during operation. The ceramic material ensures efficient heat dissipation, reducing the risk of brake fade and ensuring consistent braking performance.

With a 1-year warranty, you can trust the ZKZB Disc Brake Pad Set to deliver reliable braking performance over an extended period. Whether you are a daily commuter, a weekend warrior, or a performance enthusiast, these ceramic brake pads are an ideal choice for your vehicle.

Product Application Occasions and Scenarios:

City Driving: The ZKZB Disc Brake Pad Set is perfect for everyday city driving, providing smooth and responsive braking in stop-and-go traffic conditions.

Highway Cruising: Whether you're cruising on the highway or taking a long road trip, these ceramic brake pads offer consistent performance and reliable stopping power.

Spirited Driving: For enthusiasts who enjoy spirited driving, the ZKZB Disc Brake Pad Set can handle the increased braking demands with ease, thanks to its ceramic composition.

Off-Road Adventures: If you venture off the beaten path, these ceramic brake pads are up to the task, offering enhanced durability and performance in challenging off-road conditions.

Overall, the ZKZB Disc Brake Pad Set (Model ZK-01001) is a versatile and reliable product that caters to a variety of driving scenarios. Upgrade your vehicle's braking system with these ceramic brake pads and experience a new level of safety and performance.
