Product Description:

The Disc Brake Pad Set is a top-quality automotive replacement brake pads product that offers exceptional performance and reliability for your vehicle. Designed to meet the highest standards of safety and durability, this brake pad set is a must-have for any vehicle owner looking to maintain optimal braking efficiency.

One of the key features of this Disc Brake Pad Set is its high-quality construction using the best ceramic brake pads material available in the market. Ceramic brake pads are known for their superior performance, durability, and noise reduction capabilities compared to traditional semi-metallic brake pads. By using the best ceramic brake pads material, this brake pad set ensures smooth and quiet braking operation, making it an excellent choice for daily driving and long-distance travel.

When it comes to reliability and longevity, the Disc Brake Pad Set stands out among the competition. With its manufacturer part number Herito-001 and part number Herito-001, this brake pad set is designed to fit seamlessly into a wide range of vehicle models, providing a perfect OEM fit and hassle-free installation process. The inclusion of shims further enhances the performance of these brake pads by reducing noise and vibration, ensuring a comfortable and quiet driving experience for you and your passengers.

As a discerning vehicle owner, you can rest assured that the Disc Brake Pad Set comes with a 1-year warranty, providing you with peace of mind and confidence in the quality and reliability of this product. This warranty reflects the manufacturer's commitment to delivering top-notch automotive replacement brake pads that are built to last and perform consistently under various driving conditions.

Whether you are looking to replace your old brake pads or upgrade to a superior braking solution, the Disc Brake Pad Set is an excellent choice that offers the perfect balance of performance, durability, and value. With its emphasis on using the best ceramic brake pads material and incorporating shims for noise reduction, this brake pad set delivers optimal braking performance and reliability for your vehicle.

In conclusion, the Disc Brake Pad Set is a top-tier automotive replacement brake pads product that ticks all the boxes when it comes to quality, performance, and durability. With its manufacturer part number Herito-001, part number Herito-001, shims included, and 1-year warranty, this brake pad set is the ideal choice for vehicle owners who demand the best for their vehicles. Experience the difference that good ceramic brake pads can make in your driving experience with the Disc Brake Pad Set.

Features:

Product Name: Disc Brake Pad Set

Package Quantity: 1 Set

Shims Included: Yes

Hardware Included: Yes

Factory No: ZK-15001

Product Code: DBPS

Technical Parameters:

Product Weight	2.5 Pounds
Hardware Included	Yes
Part Number	Herito-001
Material	Ceramic
Slotted	Yes
Dimensions	8.5 X 5.5 X 0.7 Inches
Product Type	Automotive Replacement Brake Pads
Oem	12510016
Shims Included	Yes
Braking System	SUM

Applications:

ZKZB Disc Brake Pad Set (Model Number: ZK-01003) is a top-of-the-line product designed for high-performance braking systems. Manufactured in China, this brake pad set is known for its exceptional quality and reliability.

The ZKZB Disc Brake Pad Set is slotted for improved heat dissipation and braking efficiency, making it ideal for demanding driving conditions. With dimensions of 8.5 x 5.5 x 0.7 inches, these brake pads are compatible with a wide range of vehicles.

Made from the finest ceramic materials, the ZKZB Disc Brake Pad Set (Product Code: DBPS, Part Number: Herito-001) offers superior braking performance and durability. Ceramic brake pads are known for their excellent heat resistance, low noise levels, and minimal dust generation, making them the best choice for discerning drivers.

Whether you are driving in city traffic, on the highway, or engaging in spirited driving, the ZKZB Disc Brake Pad Set provides consistent and reliable stopping power. Its slotted design ensures quick heat dissipation, reducing the risk of brake fade and ensuring optimal performance in all conditions.

As the best ceramic brake pads in the market, the ZKZB Disc Brake Pad Set is the preferred choice for drivers who demand the highest level of braking performance. With the backing of a reputable brand like ZKZB, you can trust that these brake pads will deliver exceptional performance and longevity.

Upgrade your vehicle's braking system with the ZKZB Disc Brake Pad Set and experience the difference that the best brake pad brand can make. Whether you are a daily commuter, a performance enthusiast, or a professional driver, these ceramic brake pads will exceed your expectations and provide unmatched braking performance.
