Product Description:

Introducing the Disc Brake Pad Set, a top-quality product designed to enhance your driving experience and ensure safety on the road. With the Manufacturer Part Number Herito-001, this brake pad set is a perfect fit for your vehicle. Measuring at 8.5 x 5.5 x 0.7 inches, these brake pads are precisely engineered to deliver optimal performance.

When it comes to brake pads, quality is key. That's why this Disc Brake Pad Set stands out as one of the best in the market. Manufactured using premium ceramic material, these brake pads are durable, reliable, and offer exceptional braking performance. Ceramic brake pads are known for their superior stopping power, low noise, and minimal dust production. Say goodbye to squeaky brakes and enjoy a smooth, quiet ride with these high-quality ceramic brake pads.

One of the standout features of this Disc Brake Pad Set is its slotted design. The slotted brake pads offer improved heat dissipation, reducing the risk of brake fade and ensuring consistent braking performance even under high temperatures. With the slotted design, you can count on these brake pads to provide reliable stopping power in various driving conditions.

Whether you're a DIY enthusiast or a professional mechanic, having the right brake pad tool is essential for a successful brake pad replacement. The Disc Brake Pad Set is designed for easy installation, making it a hassle-free process for anyone looking to replace their brake pads. With this set, you can quickly and efficiently upgrade your braking system without any complications.

When it comes to the best brake pad brand, this Disc Brake Pad Set is a top contender. Engineered to meet the highest standards of quality and performance, these brake pads deliver exceptional results on the road. With a focus on safety and reliability, this brake pad set is the ideal choice for drivers who demand the best for their vehicles.

Upgrade your braking system with the best ceramic brake pads on the market. The Disc Brake Pad Set offers unmatched durability, performance, and reliability, making it a smart investment for any vehicle owner. With this set, you can enjoy a smooth and responsive braking experience every time you hit the road.

Don't compromise on safety when it comes to your vehicle's braking system. Choose the Disc Brake Pad Set for superior performance, quality, and peace of mind on the road. With its premium ceramic material, slotted design, and easy installation process, these brake pads are the perfect choice for drivers who demand excellence from their brake pads.

Experience the difference that high-quality brake pads can make in your driving experience. Upgrade to the Disc Brake Pad Set today and enjoy the benefits of reliable braking performance, minimal noise, and enhanced safety on the road. Trust in the best brake pad brand to deliver the quality and performance you deserve.

Features:

- Product Name: Disc Brake Pad Set
- Manufacturer Part Number: Herito-001
- Product Type: Automotive Replacement Brake Pads
- Factory No: ZK-15001
- OEM: 12510016
- Dimensions: 8.5 X 5.5 X 0.7 Inches

Technical Parameters:

Hardware Included	Yes
Material	Ceramic
Shims Included	Yes
Part Number	Herito-001
Braking System	SUM
Product Weight	2.5 Pounds
Warranty	1 Year
Package Quantity	1 Set
Manufacturer Part Number	Herito-001
Slotted	Yes

Applications:

ZKZB Disc Brake Pad Set (Product Code: DBPS) is a high-quality automotive replacement brake pads suitable for a wide range of vehicles. Designed to meet the braking needs of drivers, this brake pad set (Model Number: ZK-01003) offers exceptional performance and durability.

Manufactured in China, the ZKZB Disc Brake Pad Set is a reliable choice for those seeking premium brake pads. The slotted design of these pads ensures efficient heat dissipation, leading to better braking performance and prolonged lifespan.
